

WCEI STUDENT DISCOUNT PROGRAM DETAILS

WCEI students or WCC's that have completed the WCEI "Skin and Wound Management" course within 90 days of an "Advanced Wound Debridement" course, qualify for a discounted registration fee of \$275 that will be honored right up to the date of the debridement class.

To qualify for the discounted rate, a copy of your certificate of completion of the WCEI course (not the certification from NAWC) must be faxed or mailed in with your registration or if you are attending the WCEI course the week immediately preceding the debridement course, Infnitus, LLC will need to confirm your attendance at the course with the WCEI office before honoring the discount rate.

This discounted rate is only valid for 90 days after your completion of the WCEI course. After that time, you will have to pay the early bird or regular registration fee (whichever is applicable at the time of registration).

Cancellation Policy: If you must cancel your attendance at the Advanced Wound Debridement class for any reason and are unable to attend another scheduled class within the 90 day period mentioned above, you will be able to apply your discounted rate to a future class, but will have to pay the difference between that and the early or regular registration fee (whichever is applicable at the time of registration).

If Infnitus, LLC cancels the course you were registered to attend for any reason, your discounted rate will be honored at any future class without any additional charges.
